

2022 Internship Host Organization Application

Internships are conducted during a mutually-agreed-upon timeline and interns work 200-250 hours total. MarCom Internships must meet the criteria for an unpaid internship as explained in U.S. Department of Labor Fact Sheet #71: www.dol.gov/whd/regs/compliance/whdfs71.htm. The \$3000 stipend provided to the intern by MarCom does not qualify as wages. Internship host organizations should follow the criteria on the linked Fact Sheet to be excluded from the Fair Labor Standards Act. By participating in the MarCom Internship Program, host companies agree to allow the Internship Chair to review the student's progress, and to provide MarCom with an evaluation of the internship experience at the conclusion of the internship.
